I m a famous country star who s spent her life cultivating a good girl persona to avoid bad press, but I ve reached my limit. I m going away for spring break with my two best friends from college, and we ve vowed to spend the vacation seeking out fun in the sun--along with some hot, no-strings-attached sex. The only thing I needed was the perfect guy, and then I met Austin Murphy. He might be totally wrong for me, but the tattooed bad boy is hard to resist. When I m in his arms, everything just feels right. And I m just a guy. I m just a bartender who lives in Key West, stuck in an endless cycle of boredom. But then Mackenzie Forbes, America s Sweetheart herself, comes up to me and looks at me with those bright green eyes.and everything changes. She acts like she s just a normal girl and I m just a normal guy, but that couldn t be further from the truth. My past isn t pretty, you know. I did what I had to do to survive, and she d run if she learned the truth about my darkness. But with her, I m finally realizing what it s like to be alive. To laugh, live, and be happy. All good things must come to an end.
