Children will love the adventures in her book but they will also learn how different life is for children in poorer countries of the world. This is a well-managed introduction to the problems of such children and a sensitive taster for the issue of child sponsorship. Jennifer Rees Larcombe Description: Tamarita Rachel lives with her little sister Emily, her Mummy and her Papi among the banana plants in Ecuador. Join her as she goes on her adventures; discovering iguana eggs, visiting Indians, helping little boys go to school, and lots more. There is never a dull moment in these lively tales which are particularly suited for 4 - 8 year olds. Children will learn about life in a different country, and the ways in which charities can help the poor. Read these magical tales aloud at home, school or Sunday school and enjoy them together.
