Secondary sources are written based on the original writings which are known as Primary sources. If you want to learn about the earliest Roman Emperors this source is indispensable. True, some of it is not historical and Suetonius is somewhat of a gossip monger at times, seeing as he explains in detail the various sexual appetites of each Caesar as well as other deviant behaviour. Still, this is one of the foremost primary sources about those famous Romans and most of the history books written on the Caesars are standing on Suetonius shoulders. Not much is known about the life of Gaius Suetonius Tranquillus. He was probably born in A.D. 69--the famous year of four Emperors--when his father, a Roman knight, served as a colonel in a regular legion and took part in the Battle of Baeticum. Suetonius became a scribe and noted secretary to the military set, eventually ending up in the service of Hadrian, who was emperor from A.D. 117-138. He was dismissed for indiscreet behaviour with Hadrian's empress, Sabina, but not before doing sufficient research to complete many books of a historical nature. His attempts at philosophy were much less well received, and most of his history has been overlooked by all but classical scholars, but this work, *The Twelve Caesars* has held the imagination of more than just the scholarly set since it was first written. Suetonius had the good fortune of speaking to eyewitnesses from the time of the early Caesars. Much of his information about Tiberius, Caligula, Claudius, and Nero in fact comes from those who observed and/or participated in their lives. Suetonius...
