

The Companion Species Manifesto: Dogs, People and Significant Otherness (2nd)

Filesize: 2.2 MB

Reviews

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

THE COMPANION SPECIES MANIFESTO: DOGS, PEOPLE AND SIGNIFICANT OTHERNESS (2ND)

DOWNLOAD

The University of Chicago Press. Paperback. Book Condition: new. BRAND NEW, The Companion Species Manifesto: Dogs, People and Significant Otherness (2nd), Donna J. Haraway, "The Companion Species Manifesto" is about the implosion of nature and culture in the joint lives of dogs and people, who are bonded in "significant otherness". In all their historical complexity, Donna Haraway tells us, dogs matter. They are not surrogates for theory, she says; they are not here just to think with. Neither are they just an alibi for other themes; dogs are fleshly material-semiotic presences in the body of technoscience. They are here to live with. Partners in the crime of human evolution, they are in the garden from the get-go, wily as Coyote. This pamphlet is Haraway's answer to her own "Cyborg Manifesto", where the slogan for living on the edge of global war has to be not just "cyborgs for earthly survival", but also, in a more doggish idiom, "shut up and train".
