Dover Publications Inc., United States, 2008. Paperback. Book Condition: New. 208 x 132 mm. Language: English . Brand New Book. Here in one compact and modestly priced edition are the celebrated Russian playwright s most popular works. In addition to five full-length plays-- The Sea Gull, Uncle Vanya, The Three Sisters, The Cherry Orchard, and Ivanov --this anthology features five of Anton Chekhov s one-act comedies: The Anniversary, An Unwilling Martyr, The Wedding, The Bear, and The Proposal. Chekhov s taste for vaudeville shows and French farces influenced his comic one-acts, which are widely regarded as masterpieces of the genre. His greatest fame rests upon his full-length tragedies, which focus on mood and characterization rather than plot. Chekhov considered his famous tragedies a form of comic satire--with the bleakness of life in czarist Russia at the turn of the twentieth century as their central joke. All I wanted was to say honestly to people: Have a look at yourselves and see how bad and dreary your lives are! explained the playwright. In addition to their enduring emotional and intellectual appeal to audiences, Chekhov s modern realist dramas continue to influence theatrical literature and performance.
