Reviews

This publication is fantastic. We have read through and I am certain that I will be planning to read it again and again down the road. You won't feel monotony at any time of your respective time (that's what catalogs are for concerning when you request me).

Kevin Hogan transcends the notion of body language as merely reference material and brings it to the business community in The Secret Language of Business. This book is geared towards teaching you the ins-and-outs of body language and how it not only effects, but ultimately shapes your personal and professional life. The beginning chapters will teach you the very basics of body language and the power it has to influence attitudes, actions, and outcomes. After you have mastered these technical aspects, Hogan will teach you how to use body language to your advantage in all aspects of your professional life (meetings, selling, hiring, managing, etc.).
