By Peter Bullions

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Introduction to the Analytical and Practical Grammar of the English Language: With Exercises in Analysis and Parsing In presenting this revised edition of the Introduction to Bullion's Analytical and Practical Grammar, the Editor would remark that, while in simplicity of style and arrangement, suitableness and fulness of practical exercises, and general completeness, Bullions Grammars cannot easily be surpassed, it has been generally felt among teachers, that considerable improvement might be made in the wording of many of the definitions and rules, and in the treatment of some important branches of the subject. In making alterations, however, it has been an object steadily kept in view, to disturb as little as possible the general features of the book, and yet to make such changes as would remove inaccuracies, supply deficiencies and render it more generally acceptable and serviceable to Canadian teachers. Special attention has been directed to the Infinitive and Participle; - a new rule accompanied by illustrations and explanations has been given for the construction of each. Considerable care, also, has been taken to...
