Createspace, United States, 2008. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.(humor) A movie theater concessions worker runs an ad for Actor-Investors but it's a scam--he has no script. He likes the people who answer his ad and a story comes to him in a dream in which a coven summons God and the devil to a reunion. The devil justifies himself to his coven as being the one who is truly worthy, but due to some unexpected changes in the script, the brash coven and the guitar-wielding devil--disappear. The book ends by briefly following a Scarlet Thread --a theme of unjust inheritance in the Book of Genesis, which shows just how we're all pretty much innocent for respecting the beliefs and traditions we grew up with, and which led me to some shocking but true insights into the Bible (Informative; with realistic characters; Fun to Read).
