Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from In Memoriam, Elizabeth Haven Appleton: Oct 16, 1815, Nov, 15, 1890 Elizabeth Haven Appleton was born in England, at Wavertree, a suburb of Liverpool, October 16, 1815. Her father was William Greenleaf Appleton, in the sixth generation from that Samuel Appleton whose name first occurs in the records of New England in the year 1636. Her mother was Ann Hall Adams, a cousin of John Quincy Adams, sixth President of the United States. Of the Appleton family Mr. W. H. Whitmore says in the American Genealogist, Albany, 1875: The Appletons rank among the few of our settlers who were of the recognized gentry of England. Many of the Massachusetts colonists were of gentle blood, but only as the junior branches of such families. A few of the leaders in the immigration were of position and importance at home, and among these was Samuel Appleton. He was the fourth son of Thomas Appleton, of Waldingford, who represented a family which had been settled there from at least the year 1499. There is no question either as to the identity of the emigrant or his pedigree. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
