Brand New Book ***** Print on Demand *****.About this Speed Reading Book: How to Effectively Double Your Reading Speed and Accelerate Your Learning Abilities to the Extreme! Trivia: Did you know that some people can read more than a thousand words per minute as compared to an average college student who can only read between 250 and 350 wpm? That's true! Anyone can double their speed in reading without the fear of not being able to understand the materials being read. Most people find reading rapidly difficult and risky. They are afraid that as they increase the speed of reading, they might not be able to grasp the idea of what they are reading. That's why they have to settle with slow reading speed that makes them finish a novel over a month, or worse, not being able to find what they are looking for in an academic textbook for an assignment in school before the due date. What they do not know is that, according to studies, the relationship between reading speed and comprehension is directly proportional to each other. That is, an increase in rate entails an increase in comprehension. Want to double your reading speed and increase your understanding of the materials being read? Then take a look at this speed reading book titled: Speed Reading Book - How to Master the Art of Speed Reading - The Speed Reading Master Course: Speed Reading can benefit anyone. Not only will you be able to learn faster, but you can also impress your friends! Besides being beneficial and useful, learning such skill is simple and takes only a few techniques to apply. Speed reading is not only useful in reading for...
