This evaluation, to be conducted in accordance with a statutory set of objective criteria, is designed to allow the General Assembly to see the feasibility of the proposed new municipality. The Commission consists of four members of the General Assembly, one city official, and one county official. A list of members appears as Appendix A. The statutory criteria require a review of community support, (a petition is required) population, land development, nearness to other urban areas, and ability to provide municipal services at a reasonable tax rate. A copy of the statutes authorizing the Commission and setting up the review standards is attached as Appendix B. The Commission received a petition proposing the incorporation of the Town of Wallburg in Davidson County in December, 2003. A copy of the petition is attached as Appendix C. The Commission, pursuant to G.S. 120-161, asked the Division of Community Assistance of the Department of Commerce to evaluate the petition. The Division conducted the evaluation and, based upon its report, the Commission found that the requirements of G.S. 120-163 and G.S. 120-164 had been met (a copy of the report is attached as Appendix D). The Commission also requested that the Division of Community Assistance evaluate the proposed Town s petition for incorporation under G.S. 120-166 (a copy of the report is attached as Appendix E). The Division conducted the evaluation and...
