Ayn Rands famous 1957 classic, *Atlas Shrugged*, has become more widely read and influential with each passing year, thanks in part to its brilliant dramatization of Rands Objectivist philosophy and its celebration of self-reliance, integrity, rationality, and productive effort. Like any great work of literature, however, *Atlas Shrugged* can be intimidating. Even those who have read and re-read it may feel they have not fully appreciated its vision of life. For the neophyte and the longtime admirer alike, *The World of Atlas Shrugged* provides essential context, brilliant commentary and authoritative insight into the novels literary purpose and structure. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Audio CD.
