## AN INTRODUCTION TO CANON LAW (PAPERBACK)

[DOWNLOAD](#)

Paulist Press International, U.S., United States, 2004. Paperback. Book Condition: New. 2nd Revised edition. 223 x 150 mm. Language: English . Brand New Book. Canon law is the name given to the rules that govern church order and discipline of the Roman Catholic Church. This valuable book, which has been updated to reflect changes and adaptations in canon law and new resources in the field, offers an introductory orientation of all of canon law. A superb teaching and learning tool, the book moves step-by-step through the entire code, explaining and contextualizing, offering background, examples, and historical perspective. It introduces the reader to the basic structures of canon law, making it possible for the reader to refer intelligently to the code itself. And two appendices offer guidance for doing canonical research and case studies for further discussion. A superb teaching and learning tool, it provides outlines and overviews of relatively complex areas of canon law, sketches the basic structure and design of the various offices and functions within the church and how they relate to each other, and gives an orientation to the more important areas of canon law, as well as a background and context within which more detailed rules can be understood.
