## FLIGHTS OF ORATORY: POEMS AND PHOTOGRAPHY (PAPERBACK)

AUTHORHOUSE, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Ever finish a walk along a vibrant wooded nature trail, accompanied by creatures bustling within their habitat, seeing and listening to a myriad of small, impressive wonders, and been stumped about how to describe their influence on you? Then take another stroll through this anthology, which highlights such a trail, and complete that desire. Along the way, you ll be touched by these sensual poems, with their accumulation of apt adjectives. Included are intimate connections with a plethora of birds and mammals (wild and domestic), an assortment of blossoms and the heavens, while the sensory perceptions interpret the emotions emanating from the species involved - in any given season. Imagine how the fog might cloud your vision, yet alternately enhance your hearing to the avian sentiments expressed through a fugue. Then again how, with direct eye contact, a fox might assure us of his alliance with a human visitor. Also included is an appreciative hint into the feelings of beloved pets. While observing some obvious courtships being pursued, there s the impression that things are going along just ducky. Oh, and keep your eye open for the campsite gem. Above all, this book can put you on the path for a vivacious communion with Mother Nature, and even entice you to say, Good morning to all those cheerful encounters.
