This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2008 in the subject Business economics - Trade and Distribution, printed single-sided, grade: 1,8, Leeds Metropolitan University, course: Strategic Services Management, 15 entries in the bibliography, language: English, abstract: Each business should have one major focus to be able to develop and satisfy the market needs. Obviously this focus is the customer. It does not matter who the customer is defined as he/she has to be defined for each company in a different way. The main thing is that all efforts are addressed to the customer. Every company sells products or services to customers so from a quality assurance point of view it is crucial to develop products in reference to market needs or customer needs respectively. This is the focus for the assignment. A general guideline for an efficient product development process should be created with the overall objective customer centric product development combined with an improved internal workflow. Anderson et al (2006, p. 1) states that customer value proposition is one of the most widely used terms in business in...
