Joy has different dimensions based on so many factors like our social status, availability of resources, our health, our age, our station in our life and many more.naturally joy has many variables. Beneath these variables in just one factor life or breathing. Only a living person can experience joy or sorrow.and not a dead man. Thus, our almost unconscious breathing is the only important factor which unfortunately is hardly recognized by us. Many times we sigh and say: oh.to be a child again. . Is it not real fun learning from the vast kingdom belonging to animals and birds?...
