Palgrave Macmillan. Hardcover. Book Condition: New. Hardcover. 222 pages. Dimensions: 8.4in. x 5.6in. x 0.8in. In *The Ends of Philosophy of Religion*, Timothy D. Knepper advances a new, historically grounded and religiously diverse program for the philosophy of religion. Knepper first critiques existing efforts in analytic and continental philosophy of religion for neglect of diversity among its objects and subjects of inquiry, as well as for failing to thickly describe, formally compare, and critically evaluate historical acts of reason-giving in the religions of the world. Knepper then constructs an alternative vision for the philosophy of religion, one in which religious reason-giving is described with empathetic yet suspicious sensitivity, compared with methodological and categorical awareness, and explained and evaluated with a plurality of resources and criteria. *The Ends of Philosophy of Religion* casts a critical eye over both analytic and continental philosophy of religion and finds an ailment that besets them both. Knepper provides an analysis that is not only clear and eloquent but also sometimes frustrated and angry one. This gives his book the feeling of a manifesto, something I judge that the discipline needs. - Kevin Schilbrack, Professor, Philosophy and Religion Department, Western Carolina University, USA Philosophy of religion is entering a new dawn, beyond the Western confines of bare theism and pale postmodernism, and towards the religions of the world, Eastern and Western, in all their rich diversity and complexity. Knepper's timely and insightful book outlines these broad and deep changes that have yet to be acknowledged by practitioners from both the analytic and Continental schools. Nick Trakakis, Assistant Director of the Centre for the Philosophy and Phenomenology of Religion, Australian Catholic University, Australia Those of us who believe philosophy of religion should be about religion in all its complexity and diversity will welcome this book with relief. Knepper attacks the...
