Here I have written this book to show the world that to look at life in reality is logical. I have spoke about real life and what people go through and visualized in our everyday lives. Showing how fake people can be and how manipulative and deceptive evil people are in this world which can be disturbing. I did not write this book to offend anyone I wrote it to alarm everyone with the truth about the world we live in and the immorality that surrounds us. This book also explains that shame and disgrace is in the heart of those who do those things. Allowing you to know the punishment behind the ignorance some do. I also show that thoughts are not to be disgraceful to the soul but are to be expressed in a way of understanding. I have experienced these things I am sharing with you all and nothing is sugar coded as we say. I hope that all can read my thoughts with an open mind and not a criticizing way of thinking. The problem with the world today nobody wants to face or share the truth because they are to worried how people will react or feel. Me I m the opposite I would rather tell a person what is in my soul than to allow them to think different of my prospective or perception. I feel that God has given me a gift to share what people do not see or acknowledge. I want to show people that it is ok to express how you feel in a respectful way not degrading yourself to get exposure. The truth as...
