Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Modern composers seek by the strangest harmonies, following each other without coming to points of definite rest, to do things different from what has been in use so long that it is looked upon as common. The pupils in their early study cannot understand such music, and while bewildered by it, they misapply what they know to be correct use of the voice. The first selections should be simple, melodious, and of easy range. The songs of Mozart and Mendelssohn are much better for early use than are those which are being published now. As the pupil advances in the knowledge of songs add in any quantity the latest and most weird music, providing it has merit. CRITICISM. The phraseology of newspaper criticism often disturbs musicians, especially those who are very sensitive, and sometimes arouses their ire so that they make reply. In doing so they make a mistake. They place a weapon for further attack in the hands of the critic and add to the force of his remarks by showing that they have hit the mark. One does not prize a shot which goes wide of the point at which it was aimed but is quite proud if, by chance, he hits the bull s-eye. The sensitive man in his reply shows how fortunate the critic is in his shooting. It is not easy to bear the remarks of a harsh critic and it is much harder to draw from them any good lesson. (Whether one may draw a lesson from criticism is not open for remark at this writing.) Yet, when one gives serious thought...
