Willow Avery seems to be advancing in her fairy training with alarming speed. In addition to being able to talk to animals (a very unusual power), she can also fly! But it isnt all good news. Willows human bff, Katie, has discovered that fairies exist and thats put the Averys in a difficult position. Theyre under review from the Fairy Council as to what humans knowledge of fairies could mean. Meanwhile, Willow is entering the school science fair and shes vowed not to use her magic to help her win. So she tests different methods of watering plants the old fashioned way: trial and error. However, a vindictive garden gnome, Jakob DeGroot, is appalled at her plant abuse and does everything in his power to thwart her science project. Of course, drama continues with Bethany and Katie, and new crush Nathan at school. And it looks like Jakob might be meddling with her human classmates projects too! Can Willow stop the meddling gnome and still be able to compete--all without magic This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
