Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.\*\*\*Content warning: For adults only!\*\*\* Danny couldn't imagine a life without Peter, his first love. But Peter decided it's over between them; one final night together and there wouldn't be another one. Peter couldn't risk being out; he had a wife and his marriage was ideal in the eyes of the society. What would Danny do? Will he fight for his love and convince Peter that what they have is special or will he let him go? Or is there someone else who will love him with the love that he truly deserves? Book Excerpt You're a liar, Peter Fleming. You don't love me. You never did. Danny stopped talking, stopped trying to make sense of an affair that had never been rooted in love. Not for Peter, anyway. His body relaxed beneath Peter's touch and let the man have his way. His eyes remained closed as Peter stripped him - not only of his clothes, but his dignity and self-respect as well. He had nothing left; Peter had taken it all. When Peter came to him, pushed inside him with burning need and want, without love. Danny accepted him, embraced him, gave him all he asked for. What did it matter anymore? Once Peter let him go, he would be alone. He couldn't imagine loving another man. There had always only been Peter.
