All children have dreams, Some childrens dreams get in the way of other childrens dreams. And some children never grow up, mentally. there are high levels of vulnerability within the female population, with various issues plaguing women such as mental illness, drug and alcohol dependencies, childhoods spent in care, experiences of sexual abuse and other traumatic life experiences. She had no positive role models in her life and did not grow up learning the skills others often take for granted. She had been victim to repeated abuse and would spend long periods out of contact. She is a very vulnerable person. Meanwhile, safe and appropriate accommodation is hard to find. She is currently living with her family, but should this come to an end, her lifestyle means that she will remain a concern of sexual exploitation. She instigates relationships with men so that she can stay in their house. She will stay until either the men cannot cope with her or have had enough of her. Then she returns to services, hoping for...
