Beyond Words: Talking with Animals and Nature

By Marta Williams

New World Library. Paperback. Book Condition: New. Paperback. 224 pages. Dimensions: 8.4in. x 5.5in. x 0.7in. Animals and nature can act as teachers and guides, send warnings of impending danger, or simply make life more joyous. More profoundly, intuitive bonds with the natural world can foster life-altering changes and spiritual redirection. Beyond Words describes what people experience when they connect intuitively with animals and nature. In her first book, Learning Their Language, Marta Williams taught readers how to make this connection; here she explores how life changes once they do. Williams describes a photographer who is healed by dolphins in the waters off Hawaii, how a rottweiler helps her female companion seek the assistance she needs, and how young Neil and his horse Feste together learned about life, death, and loyalty. Easy-to-follow exercises and practices help readers experience these same types of communication. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
