Not for the first time. Now she s leapt back into something resembling real life after enrolling in a cutting edge clinical research study - one which included installing a radical new artificial heart where her broken one used to reside. Third times the charm becomes the mantra of her well-meaning nurses. The Zeus 3000 has given her a second second chance at a normal life after receiving the heart of a young girl - and rejecting it. Finally home - one which Selena inherits after her family is taken from her prematurely - she must navigate closets full of skeletons and a new haunt - since awakening from surgery Selena can hear and see things she has no business hearing or seeing. In this fast-paced Paranormal Sci-Fi melange, the pharmaceutical giant responsible for her newly found health hides dark secrets, an ancient race and a threat to everything she holds dear.
