Education - 36. Life Insurance - 37. Investments - 38. Medical Services - 39. Legal Services - Preface - Although you know that many things which you buy daily do not give your moneys worth that some may even be ineffective, deleterious or even harmful, what can you do about it While a number of consumers books have recently appeared, many confine themselves to informing you that you are being imposed upon. They content themselves with pointing the finger of scorn and viewing with alarm. How to determine for yourself what products you should buy to protect your pocketbook and health is not shown. In this book no names are named because a product may be good to-day and bad to-morrow or vice-versa. Manufacturers make changes without notifying the consumer....
