John Wiley & Sons Inc. Hardback. Book Condition: new. BRAND NEW, Virtuous Meetings: Technology + Design for High Engagement in Large Groups, Karl Danskin, Lenny Lind, Technology + Design leads to breakthrough in large meeting productivity Virtuous Meetings: Technology + Design for High Engagement in Large Groups breaks out of the confines of the meeting room to show the reader what is possible when you need to get large groups of people talking and making decisions together. The book shows that it is possible to achieve effective outcomes in large, important meetings - the kind of meetings that most organizations rely upon for aligning their leaders with strategy or managing change, innovation, and crises. When it matters most what the participants are thinking-even thousands of them at once, who may be in the room, at satellite locations or on laptops at home-this book liberates meeting designers from traditional assumptions and business-as-usual Q&A and discussion tactics with an approach for hearing and working with the contributions of all participants, live . From the Introduction, "Virtuous Meetings is a simple notion-give participants back their voice, and enable them to generate ideas, solutions and understandings that move the whole group, no matter how large, forward together." The book shows how meetings can be virtuous in intent as well as design, and how technology can help in this work. The book shows the reader how to use Virtuous Meeting Cycles, in which all participants' voices are heard, and shared understanding is generated, which in turn is used by participants, as a group, to generate plans and solutions, over which all feel a sense of ownership. As participants and leaders see the value of the outcomes of their interactions, their trust in each other, in the process, and intent to do good increases. With an...
