Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Bulletin of the University of Wisconsin, Vol. 4: Philology and Literature Series Since more than two years have elapsed between the acceptance of this thesis for the doctorate and its publication, the writer feels constrained to preface it with the remark that he has not been wholly responsible for the delay. He has enjoyed the advantage, however, of being able to subject the work to a revision during this time. The writer desires to express here his grateful acknowledgment of the inspiring influence of Prof. A. R. Hohlfeld's incisive character, sound scholarship and unremitting enthusiasm, not only upon the present study, but also during four years of graduate work and subsequent co-operation. To Prof. W. B. Cairns, who has published an excellent study in the field of American magazine literature, I am indebted for many helpful suggestions and much good advice. Thanks are also due to Prof. W. G. Bleyer, chairman of the Bulletin committee, to the librarians of the University and State Historical libraries and to their efficient staff of assistants for uniform courtesy and patience.
